(c) I am physically fit to take part, I have sought medical advice where appropriate, and I will not take part, or will stop, if it becomes unsafe for me to continue; and

(d) I have told the Organiser of any medical condition, allergy or accessibility need that responders may reasonably need to know.

2. Risks

I understand that taking part in or attending a sports event involves risks. These include physical injury, collapse, heat illness, illness, loss of or damage to property, weather, road and venue conditions, transport, and the actions of other participants and spectators. Some of these risks could result in serious injury or death. I have read this section, I understand the nature and potential effect of these risks, and I accept them voluntarily by ticking the acknowledgement box at registration.

3. Release and indemnity

To the fullest extent permitted by law, I release, and agree not to bring any claim against, the following **Released Parties**: the Organiser; **Terri Technologies (Private) Limited as operator of The Ridge**; the venue owners; sponsors; and their directors, employees, officials, marshals and volunteers.

This release covers loss, injury, illness, death, or loss of or damage to property arising from my participation or attendance, including where caused by the negligence of a Released Party.

I indemnify the Released Parties against claims by others caused by my breach of the event rules or my deliberate or reckless conduct.

This release, the indemnity above and my acceptance of risk in section 2 do not apply to loss caused by the gross negligence, wilful misconduct or fraud of a Released Party, or to any liability or right that cannot be excluded by law.

Terri Technologies provides the registration platform only. It does not organise, run or supervise the event and is not responsible for its safety.

4. Emergency medical treatment

If I am injured or unwell and unable to give consent, I authorise the Organiser and its medical providers to give first aid, arrange emergency treatment and transport me to a medical facility. I authorise them to share my relevant medical and emergency-contact details with responders. I give

my explicit consent to the Organiser and Terri Technologies collecting and using the health information I provide for these purposes, as described in the Privacy Notice. I may withdraw this consent before the event, but the Organiser may then be unable to let me take part safely.

I am responsible for the cost of any medical treatment and transport I receive, including through my own medical aid or insurance.

5. Parent or guardian consent (participants under 18)

I confirm that I am the parent or legal guardian of the participant named in this registration. I have read the event rules and this declaration and consent to the participant taking part.

(a) I give the declaration in section 1 and consent to emergency treatment and the use of health information under section 4 on the participant's behalf.

(b) I accept the risks in section 2 on the participant's behalf.

(c) I release the Released Parties from any claim **I personally** may have, on the terms and with the exceptions in section 3 and to the extent the law allows.

Guardian name, contact details and relationship to the participant are captured during registration.

6. Photography and video at the event

Photos and video may be taken at the event for safety, results, officiating, competition records and reporting on the event itself. [The Organiser will mark areas where recording takes place.] If you have a concern, contact [media contact] before the event.

7. Promotional media consent (optional)

This is a separate, optional consent. You do not need to give it to take part.

☐ I consent to the Organiser and Terri Technologies (as operator of The Ridge) using photos, video and audio of me, or of the participant under 18 I am registering, taken at this event, to promote the event, future events and The Ridge, on websites, social media and printed materials, without payment.
