The Ridge: Platform Terms of Use

Operator: Terri Technologies (Private) Limited, registration number :342/2023, Address: The Ridge 1 Spithead Estates Oatlands Road, Rydale Ridge, Harare**,** ("**Terri Technologies**", "**we**", "**us**").

Effective date: 1 September 2026

1. About these terms

The Ridge is an online sports and event management platform for athletics, sports and other multi-sport events, owned and operated by Terri Technologies (Private) Limited. Clubs, federations and other Organisers use it to administer members and athletes, manage registrations and competitions, publish results and produce reports. These terms apply when you browse events, register a participant, buy or reserve a ticket, join a team or club, check a registration, view results or contact support.

By using The Ridge, you agree to these terms, our Privacy Notice, our Refund and Cancellation Policy and the event rules shown before you register or pay. If you do not agree, please do not use The Ridge.

2. Who you are dealing with

Each event is run by an **Organiser**, who is named on the event page. When you buy a ticket or register, your contract to attend or take part is **with the Organiser**. The Organiser is responsible for the event itself, including its programme, venue, safety, officials, results and any refund owed under the event policy.

Terri Technologies provides the technology platform and collects payments **as the Organiser's agent**. Paying Terri Technologies is the same as paying the Organiser. Terri Technologies does not run, supervise or control events.

Clubs, federations and other Organisers that use The Ridge to administer members, athletes, events or competitions do so under separate Organiser Terms agreed with Terri Technologies. Each Organiser decides what member and athlete information it collects and how it uses it, and is responsible for doing so lawfully. Terri Technologies processes that information on the Organiser's behalf, as described in our Privacy Notice.

3. Using The Ridge

(a) You must be 18 or older, or have legal capacity, to accept these terms. A parent or legal guardian must register, or approve the registration of, any participant under 18.

(b) Information you give must be accurate, complete and current. If you give information about another person, such as a participant, guardian or emergency contact, you confirm that you are authorised to do so.

(c) Keep your login details and any team or registration codes confidential. You are responsible for activity carried out using them, unless it results from a security failure on our side. Tell us promptly at support@territechnologies.com if you suspect unauthorised use.

4. Registration and eligibility

Registrations are subject to each event's published eligibility, age, capacity, category, tier, team and deadline rules. Submitting a registration does not guarantee a place while payment, approval or eligibility checks are outstanding.

Where an event shows a participant declaration, indemnity or consent, you must read and accept it before completing registration. The Organiser may ask for further information or documents.

When a participant joins a club or registers for an event, The Ridge may create or update an athlete record for them. The record may include the participant's name, date of birth, gender, club, category, registrations and results, and the relevant club or Organiser may use it across seasons, events and competitions. You can ask the club, the Organiser or us to correct inaccurate information in the record.

5. Prices, fees and payment

(a) Prices, currency, ticket types and payment methods are shown on the event page and at checkout. A price can change before you pay, but never after your payment is confirmed. Before you pay, checkout lets you review your whole order, correct any mistakes, or withdraw.

(b) A **booking fee** may be added to the ticket price. Any booking fee is shown before you pay. It is kept by Terri Technologies for providing the platform. It is refunded if the event is cancelled; if it is postponed, moved or materially changed and you claim a refund; if you cancel within the seven-day cooling-off period or because of death or hospitalisation, as described in clause 7; or where the law otherwise requires. In other cases where you cancel or do not attend, the booking fee is not refunded to the extent the law allows.

(c) Payments are processed by Paynow or another payment provider shown at checkout. We do not receive or store your card details.

(d) A ticket or registration marked **PENDING** is not confirmed. Your place is confirmed only when The Ridge shows a successful payment or an approved complimentary status. Failed, cancelled, expired or abandoned payments do not create a ticket.

(e) If money leaves your account but no ticket is confirmed, do not pay again. Contact support with your payment reference. Confirmed duplicate payments are refunded in full.

6. Tickets and entry

(a) A ticket is valid only for the event, date, category or tier shown on it. You must show the ticket reference or other required proof at entry and comply with identity, age, safety and venue checks.

(b) Tickets may not be resold for profit, copied, altered or used fraudulently. Transfers, name changes and replacements are allowed only where the event policy permits them. Tickets that breach this clause may be cancelled, and no refund is due for them to the extent the law allows.

(c) The Organiser may refuse entry to, or remove, anyone who behaves unsafely, disruptively, unlawfully or in breach of the event rules.

7. Cancellations, refunds and event changes

Refunds are governed by the event policy shown before payment and by our Refund and Cancellation Policy. In summary: if the Organiser cancels an event, you receive a full refund; if an event is postponed or materially changed, you may ask for a refund instead of keeping your ticket; if you cancel or do not attend, refunds depend on the event policy, subject to your rights under the Consumer Protection Act [Chapter 14:44]. Those rights include cancelling a ticket bought through The Ridge within seven days after your purchase, without reason or penalty, and receiving a full refund within fourteen days of cancelling (section 53), and cancelling without any cancellation fee if you cannot attend because of the death or hospitalisation of the ticket holder or an immediate family member (section 20(4)). Any other cancellation fee will not exceed what the law allows (section 20(2)).

Events may be postponed, moved, shortened, rescheduled or cancelled. We and the Organiser will tell you about material changes using the contact details you gave.

8. Chargebacks

If you have a problem with a payment, please contact us first. If you dispute or reverse a payment for a ticket that was valid and delivered, we may cancel the ticket and suspend your account until the matter is resolved.

9. Health, safety and conduct

Taking part in sport carries risk. You are responsible for deciding whether you are fit to take part and for getting medical advice where needed. You must follow the event rules, venue requirements and reasonable instructions from officials. The event's participant declaration and release will also apply. Some events carry risks that could result in serious injury or death. The nature of those risks and the declaration and release will be shown to you clearly before you register, and you must actively accept them before you can complete registration.

10. Messages we send you

By registering, you agree that we and the Organiser may contact you by email, SMS or WhatsApp about your tickets, payments, registrations, event changes and support requests. We will send marketing messages only if you have separately opted in, and you can opt out at any time. On request, we will tell you where we obtained your contact details.

11. Personal information

We handle personal information as described in our Privacy Notice. Only provide health, identity or other sensitive information where the event requires it. By providing health or other sensitive information, you give your explicit consent for it to be processed for the purposes of the event. You may withdraw that consent at any time, but the Organiser may then be unable to accept or continue your registration.

When a participant takes part in a competition, their name, club, category, race or bib number, times, placings and results may be published on The Ridge and shared with the relevant sports federation, as described in our Privacy Notice. The Organiser and its officials record results, and the Organiser deals with any query or appeal about a result under the event rules. Contact the Organiser or us if you have a concern about results being published, including for a participant under 18.

12. Acceptable use

You must not misuse The Ridge, interfere with its operation, bypass security, upload malicious content, collect other users' information, impersonate anyone, or use it for unlawful, fraudulent or abusive purposes. We may restrict, suspend or close access where reasonably necessary to protect users, events, data, payments or the platform.

13. Intellectual property

Terri Technologies and its licensors own The Ridge platform, software, design and branding. You may use them only to use the platform lawfully. Organisers remain responsible for the event information, images, rules and documents they upload.

Reports and statistics that an Organiser produces on The Ridge are for that Organiser's use, subject to our rights in the platform. We may use anonymised, aggregated information to operate, secure and improve The Ridge, provided it does not identify any individual.

14. Availability

We work to keep The Ridge available and accurate, but we do not guarantee it will always be available or error-free. The platform relies on internet, mobile network, payment, hosting and email providers, and their failures may affect registration, payment or messages.

15. Our liability to you

(a) Terri Technologies is not responsible for the planning, running, safety, quality, cancellation or results of any event. Those are the Organiser's responsibility.

(b) Terri Technologies is not liable for loss to the extent it is caused by an Organiser, by inaccurate information you or others provide, by third-party payment, network or communications failures, or by events beyond our reasonable control.

(c) We are not liable for indirect or consequential loss, or for loss of profit, opportunity or data.

(d) Apart from refunds owed under the Refund and Cancellation Policy, our total liability to you for any claim connected with The Ridge is limited to the booking fees you paid to Terri Technologies for the transaction concerned, or USD 50 if no booking fee was paid.

(e) Nothing in these terms limits liability for fraud, gross negligence, wilful misconduct, death or personal injury caused by our negligence, or any liability or consumer right that cannot be excluded by law, including under the Consumer Protection Act [Chapter 14:44] and section 42 of that Act.

16. Your responsibility to us

You agree to compensate Terri Technologies for losses and reasonable costs it suffers because you gave false information, submitted another person's information without authority, misused the platform, or broke these terms.

17. Events beyond our control

Neither Terri Technologies nor you is responsible for failing to perform an obligation because of events beyond reasonable control, such as natural disasters, epidemics, civil unrest, government action or power, network or banking outages. This does not remove a refund owed for a cancelled event.

18. Changes to these terms

We may update these terms by publishing a new version with its effective date. Changes do not affect tickets already confirmed unless the law requires it or you agree.

19. Complaints and disputes

(a) Event complaints should go first to the Organiser using the contact on the event page. Platform, payment or account complaints should go to support@territechnologies.com.

(b) We aim to acknowledge complaints within 2 business days and respond in full within 10 business days.

(c) If a dispute is not resolved, either party may refer it to mediation in Harare. If it is still not resolved within 30 days, either party may go to the courts of Zimbabwe. This does not affect your right to approach the Consumer Protection Commission.

20. Governing law and contact

These terms are governed by the laws of Zimbabwe.
