# The Ridge — Privacy Notice

**Operator:** Terri Technologies (Private) Limited, registration number :342/2023, Address: The Ridge 1 Spithead Estates Oatlands Road, Rydale Ridge, Harare**,** ("**Terri Technologies**", "**we**", "**us**").
**Effective date:** 1 September 2026

This notice explains how personal information is handled when you use The Ridge to browse events, register, buy or manage tickets, join a team, contact support or use an Organiser account. It is written to meet the Cyber and Data Protection Act [Chapter 12:07] and its regulations.

## 1. Who is responsible

- **Terri Technologies** is responsible for information used to run The Ridge: accounts, payments, security, fraud prevention, support and legal compliance.
- **The Organiser** named on each event page decides what participant information its event needs and how it is used for the event. For that information, the Organiser is responsible and Terri Technologies processes it on the Organiser's behalf under a written agreement.

## 2. Information we collect

- Identity and contact: name, date of birth, gender, email, phone number.
- Event information: tickets, registrations, teams, categories, tiers, results and entry status.
- Guardian and emergency-contact details.
- Identity documents or organisation details, only where an event requires them.
- Health or medical information, only where an event requires it for safety.
- Payment information: payment reference, amount, status and payer contact. We do not receive or store card details.
- Consents and declarations you accept, with the version and time.
- Organiser account, role and activity records.
- Messages you send us and records of messages we send you.
- Technical information: IP address, browser, device and security logs.

## 3. Why we use it and our legal basis

| Purpose | Legal basis |
|---|---|
| Registering you, issuing tickets and running teams and results | Performance of the contract you entered into |
| Processing and reconciling payments and refunds | Contract; legal obligation |
| Checking eligibility, identity, age and entry | Contract; legitimate interests in running safe, fair events |
| Health and emergency information for event safety | Your explicit consent; protection of vital interests in an emergency |
| Sending confirmations, updates and support replies | Contract |
| Securing the platform and preventing fraud | Legitimate interests; legal obligation |

| | |
|---|---|
| Tax, accounting, audit and legal claims | Legal obligation; legitimate interests |
| Marketing messages | Your separate opt-in consent, which you can withdraw at any time |

Where we rely on consent, you can withdraw it at any time. This does not affect processing already done or information we must keep by law.

## 4. Children

Participants under 18 must be registered, or their registration approved, by a parent or legal guardian. We collect only the information the event needs and do not use children's information for marketing.

## 5. Results and public information

Event results, including name, category, club or school and time or placing, may be published on The Ridge and by the Organiser as part of the official sporting record. If you have a safety reason for not wanting your name published, contact the Organiser before the event.

## 6. Who we share information with

- The event Organiser and its authorised staff and officials.
- Payment providers such as Paynow.
- Our hosting, email, SMS, storage, security and support providers, under contracts that protect your information.
- Medical or emergency responders in an emergency.
- Regulators, police, courts or professional advisers where the law requires it.

**We do not sell personal information.**

## 7. Information sent outside Zimbabwe

Some of our service providers store or process information outside Zimbabwe, including [insert hosting region and main providers]. We transfer information only where the law allows and with appropriate safeguards in our contracts.

## 8. How long we keep information

| Information | How long we keep it |
|---|---|
| Unpaid, expired or failed tickets | 90 days |
| Paid tickets, payments and refunds | As required by tax and accounting law, currently [6] years |
| Registration details | 2 years after the event |
| Health and emergency-contact information | 6 months after the event, unless linked to an incident or claim |
| Results (name, category, placing) | Kept as the official sporting record |
| Support messages | 2 years after the query is closed |

| | |
|---|---|
| Organiser accounts and activity logs | While the account is active, then 2 years |
| Security and technical logs | 12 months |
| Event photos and video | As set out in the event media consent |

Information linked to an incident, dispute or legal claim is kept until the matter is closed.

## 9. Security

We use access controls, authentication, encryption in transit and activity logging to protect information. No online service can be completely secure. If we become aware of a breach that affects you, we will notify you and the Data Protection Authority as the law requires. Report suspected incidents to support@territechnologies.com.

## 10. Your rights

You may ask to access, correct or delete your information, object to or restrict how it is used, or withdraw consent. Send requests to [DPO email] with enough detail for us to verify your identity. We will respond within [30] days.

We may need to keep some information despite a deletion request, for example to complete a transaction, keep a safety record, meet a legal obligation or deal with a dispute. We will tell you if this applies.

## 11. Cookies

The Ridge uses only essential cookies needed for login, security and checkout. We do not use advertising cookies. If we add analytics, we will update this notice and ask for your consent where required.

## 12. Changes and complaints

We may update this notice by publishing a new version with its effective date. We will tell you about significant changes.

If you are unhappy with how we handle your information, contact our Data Protection Officer first. You may also complain to the Data Protection Authority, the Postal and Telecommunications Regulatory Authority of Zimbabwe (POTRAZ).
